shall rely on all remedies under AS 09.68.115 to collect checks that are dishonored by a financial institution.

200.50.16 - The Utility shall provide three methods for customers to pay their monthly bills: Cash, Check, or Alaska Waste Easy Pay (Debit Card or Credit Card). The Utility currently accepts Debit cards and Visa, MasterCard and Discover credit cards. The Customer may choose to set up an auto-charge to automatically charge their utility service to their debit or credit card. The costs associated with these payment programs shall be considered costs incurred by the Utility in servicing its customers.

200.50.17 - The Utility may render a make-up bill, without finance charges, for service that has not been billed as a result of a Utility billing error provided the initial make-up bill is issued within six (6) months after provision of the previously unbilled service. The customer may extend the period of payment of the make-up bill as long as necessary so that the quantity of service billed in any one billing period is not greater than one hundred fifty percent (150%) of the normal estimated quantity for that period.

200.50.18 - It is the responsibility of the customer to verify all Utility bills. All Utility charges are considered binding unless an objection regarding the disputed charges is received from the customer within six (6) months after provision of the previously billed service.

REGULATORY COMMISSION OF ALASKA

#### **DENALI SERVICE AREA**

The rates set forth below are for occasional, unscheduled, or Bulky Material Services of the Utility.

The rates for occasional or unscheduled pickups at customer request are based on 1/4 of the monthly billing. If refuse in excess amount of the limit is picked up, the charges shall include excess yardage charges assessed at the driver's estimate.

There will be a charge of \$60.00 per hour for Sundays, Holidays and after hours service. All time commencing when the Utility's vehicle is dispatched from the terminal to perform the pickup until it returns to the terminals after completion. This includes time spent hauling refuse to the landfill if necessary. Minimum vehicle charge of one hour. Additional refuse picked up over the limit for the service type will be charged as additional yardage.

Other miscellaneous services requested by the customer and performed by the Utility will be charged to the customer at the rate of \$60.00 per hour for packers, \$90.00 per hour for Hook truck.

This surcharge applies to Residential rates, including additional cart and extra can and bag charges.

The formula for this Surcharge is calculated as follows:

Disposal Fee Surcharge =  $(a) \times (b)$ 

(a) = (Sample Weight per collection in lbs) x (Current Tip Fee \$ per lb) x (Scheduled Collections per month) x (Disposal Normalization Factor)

Disposal Normalization Factor = (Actual 12 Month Total Disposal Expense) / (Sum of Hypothetical Disposal Calcs for all Service Levels)

Hypothetical Dispsoal Expense for Service Level A = (12 Month Average Customer Count for Service Level A) x (12 Month Disposal Component for Level A BEFORE Applying Normalization Factor) x 12 Months

(b) = Percentage Tip Fee Increase
